[Pre-existing medical conditions](#)

We cover most pre-existing conditions, have no upper age limit and are there for you in a medical emergency.

[Cruise travel insurance](#)

All Saga Travel Insurance policies provide cover for cruises, including some benefits specific to cruise-goers.

[Cover for COVID-19 with Saga Travel Insurance](#)

[Emergency medical expenses](#)

Up to £10 million (up to £2 million for trips within the UK) – Which still applies even if you get ill with coronavirus while you're away. Plus, you can now call the Saga GP Helpline at any time when you're on holiday.

[Cancellation](#)

Cover up to £10,000 if you, a close relative or any of your travel party gets a positive coronavirus test in writing during the 14 days before you depart. Or if you are certified as too ill to travel due to Covid-19 by a medical practitioner.

[Abandonment](#)

Cover up to £10,000 if you, a close relative or anyone you're staying or travelling with gets a positive coronavirus test in writing and you have to cut short your trip.

[FCDO advice](#)

If you travel to a country where the FCDO has advised against all but essential travel, you'll have no cover in place for any policy section if the reason for your claim is related to why the FCDO advice is in place. Subject to there being no other Government restrictions in place prohibiting travel. If you travel for essential reasons, see our [list of what is deemed essential](#), then you will have full policy coverage in place.
