Benefits Booklets

Delivering health and wellbeing benefits to your employees.

A handy way to communicate employee benefits

BHSF has pioneered the use of Benefits Booklets to promote and deliver key benefits. They can be used to support an existing benefits package or

as a standalone initiative. Booklets can be tailored to the specific needs of each client, providing a cost-effective and flexible solution.

How does it work?

Simple. BHSF works closely with its clients to provide tailored Benefits Booklet solutions that match the demographic and the needs of the organisation.

We offer a range of excellent products, including 'off-the-shelf' solutions. An all-in unit cost per employee is provided alongside advice on how to deliver the best visual and promotional impact for your programme.

- Promotes and delivers key employee benefits
- Combines a number of flexible insurance elements with other key benefits
- Fit for purpose, 'off the shelf' product range
- Updated on an annual basis to refresh content and any brand/identity changes

What is included:

- Employee assistance telephone helpline
- Online portal support
- Telephone helpline
- Your care support
- Review health and fitness levels for free
- Fitness discounts
- Savings on the weekly shop

Benefits to employers:

- Provides information to employees about the value and importance of the benefits available to them
- Communicates benefit details in a clear, concise and presentable way in a glossy, hard copy
- Contains application forms to allow employees to apply directly for Insurance products
- Awareness and understanding can be supported by on-site consultations and roadshows
